

Brown Flat & Satchel Bag Range Changes

We have increased the use of FSC® (FSC-129148) and PEFC-certified (PEFC/21-31-300) materials and recycled content in our Flat & Satchel Bag Ranges to support environmental goals. This means products have documented traceability through the entire supply chain, from forest to end product, ensuring materials are sustainably sourced. As a result, product codes and names have been updated to improve consistency across the range.

A brown paper bag is placed inside a black wire basket. The basket sits on a wooden surface. Surrounding the basket are various food items: a plate with a tortilla and pink sauce, a small bowl of spices, a bowl of white sauce with green onions, and a green bowl with pink sauce. The background is a wooden table.
